

Highfield House
Nursery & Pre-School

Highfield House
is a small,
family-run
independent
day nursery in
Great Brickhill,
Milton Keynes.

We are open from 7:30 AM to 6:00 PM, 51 weeks a year, offering both full-day and school-day options. We care for children from 3 months to 5 years. Our nursery is set on 1.5 acres of land, giving children the freedom to explore various outdoor spaces, including covered courtyards, a kitchen garden, a forest school, a play garden, and a meadow. We promote healthy bodies and minds by encouraging active lifestyles, and our in-house chef prepares fresh, nutritious meals daily.
